

Dear Mr. Lamb:

On Monday, 22 March, I called C-Span to state my opinion of Ross Perot's Town Meeting. Due to the outrageous behavior of your guest, Christopher Mathews who tried to stop the people from hearing the truth about Bill Clinton (whom I have known personally for many years), your producer cut off my call even though I paid for the telephone call and the cable that brought your program into my home. I do not hold you responsible for your producer's actions, but in all fairness, you did ask me about Bill Clinton.

It is my opinion that Ross Perot is simply a shill for Clinton. Bringing in a third party candidate during a closely contested election to split the vote is a very old Arkansas "dirty trick."
