

was called over
to my old Prof. Mr. Carl Soren-

We're still laughing over the funny
remarks you made recently as guest -
the Byron Lambert bit - the "look
alike" -

We have one they forgot -
someone said "Carroll O'Connor" -
We enjoy what you do - have

highest respect for you -
The Byron bit brought to mind
the poet Byron + there was a lamb
in his life as I recall.
Happy New Year!
