

Dear Ms. Fleming:

Thank you for your kind letter of recognition for my participation in C-SPAN's essay contest. The packet of goodies was an added bonus!

After reading the winning essays, I can only reflect how privileged I feel to share the honor with some articulate, thoughtful and outstanding grassroots "C-SPAN junkies". Modesty aside, they far surpass my own off-the-cuff remarks pale by comparison.

I am a subscriber to C-SPAN UPDATE; however, even after a couple of notices to the contrary, it still comes addressed to Mr. H. P. Batley. So, Ms. [redacted]

accepts with many grateful thanks, C-SPAN's gracious offer to extend her subscription. I love the paper! Keep up the good work.

Your devoted C-SPAN junkie!
