Watched your Program This Morning  
And saw how Easy it was for  
you sit there and go along with  
all the talk about Clinton. But  
why have you not talked about  
President Harding. He used the oval  
office for a Whore House and all  
the rest of the White House. The  
oval office was contaminated by  
the right being that the Kennedy-  
more family little Monica.  
She is a Whore in my estimation.  
She came to Washington to get her  
a man with power. She is far  
more guilty than Clinton. Lynda Turp  
tried this on Bush but it did not fly -  
we hope she is jailed for life. She  
and Isadorberg and the others are a  
menace to Society. Roy Starr the  
Black Mail Moses with threats against  
her mother - He coached her he  
bribe her.

No Paula Jones did not accuse Clinton  
of Sexual Harassment. She accused

o.c./lew

him of indecent exposure, as if she would  
know what that was if it hit her in the  
face -

Susan McDougal was right. She said Ron  
Starr would theater monkey and what  
ever she had to do to get her to talk  
her language -

For Reagan we not tell the public  
about the woman in Hollywood who  
said he raped her.

Now about Trent Lott, Bob Barr -

Jesse Helms, Donatou Hyde - Arlen Specter,  
Phil Keaghn, yes George Bush,  
do you really think the people would  
want meet as President Oh my God.

Old Bony "Boy" Burton a big friend -

These are my feelings -

The Flying Monkey Right tossed all  
the Bone, Now the Democrats are  
Hungry and just wait - You Aint heard  
nothing yet -

Natze that is what Pat Buchanan  
is labeled -
