

Mr. Lamb: Re: Washington Journal - Split lines 7-5-96

HOOPEY! Complaints about your  
split lines is right on line - you  
created an open line for the Democrats  
who complained about Republicans  
calls -

Open lines are accessible To those  
who want to take the time - I've  
heard people who tried for years  
to get an open line - The liberal  
press have shackled Republicans -  
C-span gave them an opportunity - But  
you spoil it by GIVING A SPECIAL LINE TO a wj

THE LIBERALS. NOT FAIR -  
Let everyone wait. Let  
Turn without special  
LINES and attention.
