Dear C-Span,

Your program this eve
was fantastic! I'm 70
yrs. old & never been any
prouder to live here in
America!! To see the
fireworks was so exciting -
felt I was there. To be free
citizens & able to celebrate is
truly a blessing. The songs
were magnificently sung. Wish
you would've shown who the
singers were. (their names - as
each was singing). Just had
to tell you how I felt. Didn't
vote for Clinton, but will support
him all the way! God Bless
him, Hilary & sweet Chelsea!
Three cheers to you all!
