Dear Brian,

Thanks very much to you and Unity
for sharing your Sunday evening with me.
Thank you even more for sharing with
me the fascinating story of how C-Span
came to be and of the wide array of
activities you're involved in today. What a
perfect way for me to end a very good

just day with an senators-elect
and their spouses!

I look forward to seeing you
again soon. All the best!!

Personal regards,

P.S. I'll discuss with Harry Reid today
the request you mentioned last
night to film in the Senate chamber.
