TO WHOM IT MAY CONCERN

Why do I watch Public Broadcasting? The reasons are a CREDIT to CSPAN.

1. Being made aware of a system of government based upon the rights and duties of the individual through a telegenic presentation. (Civic)
2. The causing of an obligation of perusing newspapers and periodicals to cast reflection upon the persuasive use of the language used to influence the thoughts and actions of listeners from the halls of Congress. (Rhetoric)
3. The opportunity to see the interpellating of our officials in government, on their specialized expertise, on or before a legislative committee. (Examine)
4. The feasibility of commenting, questioning or asking for a consideration of ^asubject from the predominant people who are guests on CSPAN. (Discussion).
5. The looking back at the past and contemplating the apathy most of us had in regard to our understanding of democracy and how much we now lie under an obligation to the pursuing of the best ends by the best means. (Introspect)
6. Can Such People Answer Now? Yes! With CSPAN. (Truism)
