

C-SPAN,

We want you to know that we watched the Rainbow Coalition presidential campaign program and taped Jerry Brown's part so our daughter could hear it. Please have more and many like it.

We are supporters of Jerry Brown.

We are hoping that Jerry Brown wins the campaign and that Mr. Jesse Jackson is given any part in the Cabinet he wishes to work in. Perhaps the State Department?

We thought the way the Rainbow Coalition presented the program was excellent--much better than the usual debate style.

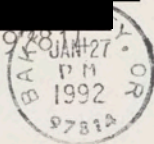

We are looking forward hopefully to seeing more of them.

Sincerely, steady C*SPAN watchers.
