TO: C-SPAN

FROM: (Mr.) PAT TOTH

On Sunday May 9, 1993 on your channel around 12:00 noon you had live of the removing of the Statue of Freedom from the Capitol Building, which I enjoyed very much. On that program you had a Mr. William Allen, I would like to know if Mr. Allen wrote a book about the Capitol, and it's history. If so could you help me locate it. Maybe an address, or something. Thank you for your time, and I enjoy watching C-SPAN, because it's very educational.

Sincerely,
