

Dear Mr. Lamb:

Thank you for showing Remembering D Day, 50 Years Later. It took me back to the hell of the Great Depression and then followed by a larger HELL-W.W. II

Please try to educate our young people about the depression and W. W. II. If they are aware of the hell that we went through, then maybe they will be able to stay strong and avoid this nightmare in the future.

But I thank you for running Remembering D. Day. It was the most important show that I've seen on T.V. in years. If I had the money I would buy the tapes.

By the way, if possible, please have Ross Perot on C Span, and also Chuck Hardy in Florida.

Best Regards
