

Dear Mr. Lamb:

Jan. 2, 1992

During the Judge Thomas hearings I watched C-Span for many hours. I was especially attentive during the Thomas/Hill proceedings.

One Monday afternoon you monitored a show with Ms. Suzanne Fields and Ms. Jodie Allen. I want to commend you on the tone of the show which remained courteous and intelligent regardless of the participants' individual viewpoints. Thus the show was both enjoyable and

enlightening.

While I tended to agree with
Ms. Fields more frequently, I applauded
both of them and you for the pleasant
atmosphere throughout the show.

Sincerely,
