

9-5-99

Dear Libs:

I was watching C-Span
re. Constitution Party
on Sunday evening.

When you cut off
the convention, I was
angry, disensed, but more
than that, just disappointed.

After calling friends to
listen also, what a
shock to have you cut
off the speech of Howard
Phillips. This was a
terrible disservice to
your faithful audience.
Sincerely

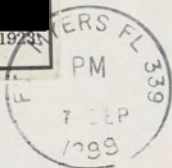

O. RTWH
