I WATCH C-SPAN BECAUSE:

It is the fascinating forerunner of two inevitable democratic developments: electronic nation-wide "town meetings" and instantaneous local, state and national popular elections.

This conviction stems from C-Span's unique attributes:

C-Span is exciting, immediate, challenging and truthful.

C-Span presentors are neutral, intelligent and attractive.

C-Span provides information from source, as it happens, in its entirety.

C-Span is repetitively convenient and comprehensive.

C-Span presents all points of view.

C-Span reveals bias without bias, prejudice without prejudice, censorship without censorship.

C-Span solves communication problems with more communication.

C-Span solves information problems with more information.

C-Span assumes I am intelligent enough to make up my own mind.

C-Span transforms political enemies into interested participants.

C-Span demonstrates that debate and exchange of ideas are more powerful than weapons.

C-Span should and will be made available to all regardless of economic situation or degree of servitude to ad agencies, unions, corporations, lobbyists, PACs or political parties.

Sincerely,
