Dear Mr. Lamb;

On August 23, 1997 I was watching Book Notes. The author was Gerda Terner speaking from The Hungry Mind book store. The introducer was a professor from Macalester College.

As a graduate of Macalester (many years before The Hungry Mind appeared) I was distressed to see the name of the school spelled incorrectly when it was flashed on the screen several times.

Please bear in mind that Walter and Joan Mondale are both graduates of Macalester. After he returned to private life, Vice-president Hubert

Humphrey taught there for a short time.

It is my sincere hope that if
this program is repeated, Macalester
will be spelled correctly.

I do enjoy Book Notes.

Very truly yours,
