C-SPAN

I had been an And viewer  
of C-SPAN I & II -

AFTER the ~~last~~ couple  
days with The garbage  
you've been showing; it  
has come to an end -

Opportunist like Brock,  
Turner & Frantz -  
seem to feel Speare  
is the only thing that  
will sell their "product" -

There are better & more  
important things to report  
about The President -
