

Dear Brian,

June 2004

I wanted to say thank you for taking the time to meet with me. I love talking about media, events, & the 'biz' and had a wonderful time!

I appreciate you answering my questions and sharing your knowledge about the industry. There are some things you just can't always find in books that one can learn from others ☺.

Also, thank you for listening to my aspirations and your advice and encouragement will do wonders in helping me to achieve my goals.

You're an outstanding person!

It was fun catching up as well and remembering the old gang ☺
Hope to see you again when I'm in the area!

Sincerely,
