Gentlemen:

Enclosed is my check for \$3.00. This is to cover the cost of a pamphlet recently advertised on your broadcast from the British House of Commons.

The name, as I took it down, was "Commons Sense." Please send it to the address above.

I must tell you that we in this house find your broadcasts of the British Parliament very rewarding, and trust they will continue.

The procedures, while traditional, are not clear to beginning viewers, so it would be in order to review them from time to time. Interviews with veteran MPs about the functioning of the Commons could surely produce some great programming.

Yours faithfully,
