

Dear Sirs,

MAY 23 AMST MAY 23 1990
The June 1990 issue of Reader's Digest contained an article by Peter Michelmore entitled Why Are They Shielding This Nazi?. The article disclosed the fact that Olois Brunner, the murderer of hundreds of thousands of innocent men, women and children, is hiding in Syria.

The government of Germany wishes to put this man on trial but the government of Hafez al-Assad refuses to give him up. I hope you will interview Peter Michelmore concerning the Nazi mass murderers being given sanctuary in Syria and other Arab countries.

Please acknowledge receipt of my letter and inform me as to whether you will interview Peter Michelmore on C-36am. Thank you.

Sincerely,
