

Dear Mrs Labink &
Aunt,

As you finish
the Presidential
series, I can only
say "Thanks" -

I had a wonderful
series! I've truly
enjoyed each
episode.

With sincere appreciation

... we send a wish for peace.

Mercy Home for Boys and Girls has provided troubled and abandoned children a "port in the storm" for over 110 years. Since being founded as an orphanage for homeless newsboys and waifs in 1887, over 18,000 children have found a safe haven and a caring family environment at Mercy Home.

Mercy Home's life-saving work with homeless, orphaned and "thrown away" children is made possible through the kindness and generosity of donor-friends. This is truly the century old "Miracle of Mercy."

The mission of Mercy Home has been built upon the belief that children are society's most precious resource and hope for the future. The Mercy Home motto illustrates its goal in serving children in need: "There are only two lasting bequests we can give our children, one is roots, the other wings."

This card represents a contribution to Mercy Home for Boys and Girls.
