

Dear Brian, Aug. 8-15

I'm writing to find out when James Traficant will be on C-span again. He is my favorite guest.

From the viewers call ins, he is a lot of people's favorite.

Why don't you have him more often. That man tells it like it is, & people are listening. We need his hat in the ring for President.

Please let me know when Mr. Traficant will be on, & hope its soon & often. I enjoy Mario Cuomo too. Love, [redacted]
