To Whom It May Concern
on Washington Journal

Your screeners will not let me talk (I don't swear & I don't talk dirty and I don't hate anybody - is that the reason?) I am going to ask some questions and perhaps you could answer them on the air!

1. Is Steve a brother to Ralph Reed?
 2. Why does Steve read only **NEGATIVE** items re: The Clintons?
 3. Why did he show a cartoon today (12-1) with the caption 'Impeach The Bastard'? Extremely poor taste !!!
- O.W.R.

4. Mr. Hyde presiding today on Impeachment Hearings had an affair & broke up a marriage. Why is that okay?

5. J. E. Watts had two children out of wedlock. Why is that okay?

6. Mr. Livingston has a son out of wedlock. Why is that okay?

7. I guess Mr. Lamb answered our question we have asked many times & that is WHY DO YOU ALLOW THE REPUBLICAN TALK SHOW HOST FROM GEORGIA TO CALL AS FREQUENTLY AS HE WANTS ???

On 11-30, he called & Mr.

Lamb LAUGHED & SAID, "I guess we all know who this is" and allowed him to talk. Is he more important or does his nickel buy more than ours?

AND when my husband saw you flash the picture of the Gores, he said "May they rest in peace for the time being for C-Span is gearing up for an attack on the Gore family". Then my husband (a very sweet man) said, "Why do you watch that trash?"

So -- no more Washington Journal. No name cause you won't answer anyway!
