Dear C-Span,

THANK YOU for your coverage of the Democratic convention sent to us via SKY channel!! I'm looking forward to the Republican convention as well.

What a treat to enjoy without breaks for ads or disturbing commentary spoken over. I was particularly impressed with the woman (Connie?) who showed such patience with non-English speakers calling in. A couple of "bloopers" - get your degrees F or C sorted out?! Mr. Clark's knowledge was most impressive.

Yes - wed also like to see some election day<sup>(night)</sup> coverage via SKY.

Yours (bleary eyed),
