RE: 01-06-94 9:00 PM - 10:30 PM (E.D.T.)
Rainbow Coalition - Violence to Black Women

Dear Ladies/Gentlemen:

I would like to inquire as to being able to obtain a video copy of the program you aired the evening of 01-06-94. I apologize for not having more specifics as to the exact title and time. Of importance is the last hour of the program in which Rev. Jessie Jackson spoke to the conference on violence in the Black community.

His statements and certainly those of individuals immediately proceeding him would have significant impact on youth, staff and others in my community here.

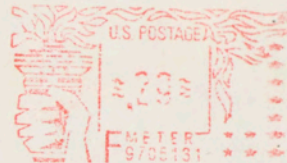

My local cable TV carrier was uncertain as to your billing process if payment must proceed sending of the video, please submit appropriate documents. If this request can suffice, payment will be forthcoming. Our tax exempt number is [REDACTED]

I thank you again for your patience in this awkward request and also and most importantly, for your initiative in providing informative and timely broadcasts that are significant to our live.

Sincerely,
[REDACTED]
