TO CSPAN—

Just had to write (please excuse handwritten letter). Watch your call in and book review shows and love them. But your full coverage of the Rush Limbaugh program was fascinating. And by the way, This man is simply brilliant. As a Bob Kennedy/Ralph Nader liberal with a touch of Buckley centrism thrown in I still enjoyed immensely this guy's wit, humor and even some of his opinions. Thanks for the show, Truthfully, I never expected to see anything this fun, controversial and downright enjoyable on CSPAN. If you can, please pass this letter on to Limbaugh. Thanks,
