TROY, NEW YORK 12180

9/12/92

Gentlemen,

Many thanks for your program on Northern Ireland. My family and I enjoyed it very much. My wife has relatives in the north and we've visited Belfast and Derry on occasion. Hopefully a full and fair exposure of the situation there may help to cause a solution agreeable to all.

I was wondering if a tape of the program was available and if so for how much cost. A short reply would be appreciated.

Many thanks,
