BRAND LAMB  
C SPAN

A-Ann Pres

Dear Mr Lamb -

I Am enjoying the American  
Presidents life portraits series very  
much -

On the Andrew Johnson show  
3 Photographs of Johnson are shown

a) Johnson As President standing  
next to a chair

b) Johnson in his Masons Role

c) Johnson, US Grant & Gordon  
wives standing together (on a  
porch?)

I would like to know where these  
photos are located to get photo-  
duplication copies made.

Sincerely -
