

Id say the emblem in god trust
is the truth. Id does it say
man. Looking at all the henby
penby is going on. Id say, don't
go on some ones word. Always
have some one check the truth
of the deal. or contract. or
trust me. all this trust
or gentlemen's work. We can
put in faith only God. Every
body else. to be watched.
Id don't think we
should some happen sincerely.
to do the right & 
honest thing. No
matter how led. he got.
