

Thank you, C-Spen. -

What would we know if you weren't keeping
us informed?

The presentation of the Nixon funeral was
perfect. It was beautifully presented.

From what I've seen of this library
I think it is the most beautiful of all
the libraries. The grounds are beautiful.

I like the way you try to balance
all of the programs - not too political.

Sincerely,

4/27/94
