one-sided,

Tyrell's diatribe on Paula Jones was ~~onesided~~ ^{one-sided,} and did not include her going at once to her sister and saying: "I smell money in this."

Did not include her saying that she wanted to be Clinton's girl friend.

Did not include her sister's husband appearing

on C span the next day with him saying that she was a liar who only CARES ABOUT MONEY. Lets be a little FAIR.

Type writer Too fancy to use.
