To Whom It May
Concern,

Your program
this A.M., 1030 EST,
was right on
target.

I believe in a
per diem rate
for congressmen,
abolishing of the
federal tax,
& the Federal
Reserve Board.

Also, the Social
Security Tax.

The burdens on
small businesses.

The comment by
the Japanese
Ambassador saying
to Pres Bush;

"Get your act
together!"

There are a
lot of crooks,
in govt, I
did not vote
for Pres Bush.

I work for
[REDACTED] St. Cilleen,
CA. The Labor
Commission studied
this field. You
should re-tackle
this subject on
your program.

People like
myself who have
worked in private
industry see
the waste of labor
e APFES. Two
people doing the

job one can do -
large discrimination
puts people
like myself in
danger when
cutbacks occur.

I was born
June 1928.

They want to
rid the experienced
people & put the
younger, lower
salaried, inexperienced
in our place.

No one e
APFES to my

Knowledge, are
in Who's Who
of the South, but
my former bosses
@ Sneed Construction
Corp., Ft. Lauderdale,
Fl., were,

Part time I
worked as well as
a staff writer for
the Ft. Laud. News
for the Amusement
Editor, Rbt
Grund.

Hoping to get a
word processor @
home, I would
besiege congressmen
with letters of
support of your
views.

We have some
"gutless" editors
@ the Atlanta
Journal who
refuse to sign
their names to
their articles, yet
require signatures
& city addresses
of letters to the
editor. I spoke

12-1-91

directly to the
managing Editor
(there are three of
them) now I feel
about that. If
they can be
anonymous on
their board, why
not the lower
sloborians, like
me!

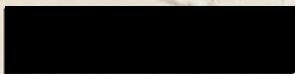

who in Atlanta
may I contact
who shares your
views?
