Attention Brian Lamb,

Dear Brian,

I am an avid fan
of your show and a proud
American of Irish Heritage.

I became a citizen of this
Great country in Nov. 1985 -

This country enabled me
to raise 3 children and
I have ten grandchildren.

I worked in the
Medical profession, as an
Administrator, for 27 Years -

I am now 69 yrs old and
enjoying retirement in this
paradise in California. I
return to Ireland each year
to see the country of my Birth.

Sincerely,
