Dear Mr Lamb,

I have enjoyed C-SPAN for many years,
and C-SPAN 2 since my Cable Company
(Continental Cablevision at the time, now bought by
MediaOne) started carrying it. Recently, in
a general change and rearrangement of what
is available, C-SPAN 2 has been reduced to
Mon-Fri., 8am-3³⁰ pm. It now shares
a channel with FoxSports West 2. When I
phoned to complain (the change, of course, was
presented as being done "at your request" - no
one asked me) I was told that C-SPAN 2
was now only available for the limited
hours. I find this hard to believe,
I am writing to you to get the official
word - have you really cut back

- 2 -

that much? What happens to gavel to gavel
coverage of the Senate when they run till
mid night, Eastern time (or later) ??

I would appreciate your response
to this situation. Thank you,
Sincerely,
