MAY 16 REC'D

Dear Mrs. Hunter:

Thank you for responding to my letter concerning C-Span's lack of coverage of the plight of Jews in Arab countries after watching an interview with Senator Abourezk. However, you have missed the main points of my letter or I received a general form letter.

I do not need Senator Abourezk's address to send him "further comments and information." He probably is aware of the information I sent to C-Span. I wanted Mr. Lamb to ask Senator Abourezk if Jews in Arab countries had the right to emigrate to Israel, because I wanted his answer to be recorded on videotape and seen by a national ^{television} audience.

There were no comments as to whether C-Span will consider doing a program on the conditions of Jews in Syria, Iraq, and North Yemen. I included the names and addresses of two organizations, because I know it is hard to find information or someone who can be interviewed on this subject.

Philadelphia, PA 19103 Sincerely yours,

P.S. I had addressed my letter to Mr. Brian Lamb. Did Mr. Lamb ever receive the letter?
