Dear Folks,

We are saddened to learn that the Cable Co. which has a monopoly here, is cutting out C-Span as of June 1.

We are told that the government regulations, passed last fall, are to blame.

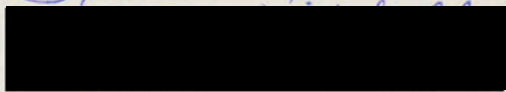

Perhaps Congress does not want us to watch their procedures any more.

Our community will miss you ever so much.

We don't know how many others like us, will lose.

Perhaps there is more to this — maybe it's dollars and cents. Our rates have been raised, however.

Sincerely,

Paper made from 50% recycled fibers,
