Dear Mr. Lamb,

Re: Journalist Roundtable
Friday morning, September 10th

The cartoon showing Rush
Limbaugh's face on Mount
Rushmore could have been
shown in a more favorable
light to your audience, or
that ultra-liberal Adam
Clymer took the grand
opportunity to demean
and may I add "deface"
Mr. Limbaugh. Not nice
at all. Please consider
the size of "Butto Heads" growing
numbers. We watch. Thank you.
