Gentlemen:

I sure hope you can help me. I am very interested in purchasing a VHS Video Cassette tape of one of your C-Span programs.

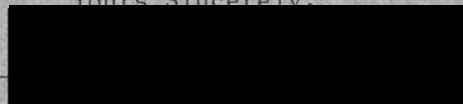

The program was Brian Lamb interviewing Howard K. Smith. It was broadcast in Southern California on Saturday, December 30, 1989 from 3:00 PM to 4:00 o'clock in the afternoon.

I sure hope cassettes are available and would like to know the cost and how to go about ordering one.

Before I close, I absolutely must tell you how much I enjoy the entire C-Span line-up. I wish your group continued success and an ever widening viewer audience.

You may be interested in my reaction to the program in question. It was a College education in one hour! Brian Lamb was a no nonsense, straight from the shoulder interviewer propounding hard, hard questions. Howard K. Smith did not try to dodge a single question! He immediately gave an answer with such wisdom and insight I was truly amazed. He had the wisest and most sensible answers to all questions regarding our nation's problems. I have never heard anyone from the Presidents of now and the recent past, including the Senate or Congress who has proposed such wise and sensible ideas for solving this nation's major problems. I would vote for Howard K. Smith for President any day! Good show - - Keep up the good work!

Yours Sincerely,

WILLIAM WALLS
