Dear Program Director  
C. Spaw

Your selection of WABC - NY -  
talk show host Russ Limbeow  
reflects extremely poor judge-  
ment. I resent paying

for obvious propaganda - I  
can get better opinions (more  
valid) at the local Blubber  
Club of the Mental Health Assoc.  
(an actual discussion group)

I am offended - whose brain  
are you trying to stimulate? Why?

A big fat zero to you. Cute  
you aren't.

"Free" TV choices are available at  
no cable charge. Remember that  
the next time you opt for "try  
to expose a nationwide audience"  
to your sense of appropriate use  
of MY airwaves. Shame.
