Dr. Mr. Director:

Interesting program on This Labor
Day weekend - your Moderator Brian -
and guest panelists David Colton, Dan Tomasco,
and the third panelist - B. Something
were not knowledgeable on NAFTA -

Further, They did not address the very
most critical issue that these United
States faces Today, The ratification
of the NAFTA!

We, the taxpayers, deserve a public
debate on NAFTA ASAP. This treaty
negotiated in secrecy may get passed
in secrecy via Fast Track which will
certainly make a mockery of "By The People,
For The People & For The People!"

I would appreciate a courteous
letter telling me your position on
a public debate. Thank you
