Dear Mr. Lamb:

We are ardent viewers of C-SPAN and are thankful the American People have an outlet to the news that is fair and unbiased. We are also part of the Right Wing Religious Group that has been and still is being discussed and ridiculed by the news Media, News Medium, most Talk Show Hosts even some of C-SPAN Guests and members of the C-Span audience for being the spoiler in the Republican Presidential Campaign.

Mr. Lamb, we respect you as one of the fairest Guest Hosts at C-Span. We are inviting you to arrange for Pat Robertson, a Leader in the Christian community, which has born the brunt of this controversy because of the Speechhe made at the Republican Convention, to be a Guest on one of your live Call-in programs so he can answer the attacks against him.

C-Span has been gracious in giving Pat Buchanan and others a chance to answer charges so we know they will be fair and allow Mr Robertson the same courtesy.

Sincerely,

[REDACTED] and
Other Fans of C-Span
