Re: C-SPAN Program on  
"Declining News Standards"

To: C-SPAN

I thank C-SPAN for sponsoring the above program. The decline in news Standards directly parallels:

1. The decline in family Values, marriage, etc.
2. The decline in public and political morality & ethics
3. The decline in patriotism, selflessness and service.

Who can we thank for the above and other declines?

The Liberal, left leaning, morally bankrupt news media, politicians and misguided socialist do-gooders who have promoted the outrageous lack of accountability, irresponsibility and "do your own thing" regardless of the consequences! Note who has the most tabloid talk and TV shows! The very same liberals, i.e. Donahue, Povich, S.J. Rafael, Geraldo, et.al. who epitomize the liberal lefties.

Fortunately, the citizenry has begun to get it's belly full of bashing patriotism, praising Murphy Brown, and criticising Christianity & religious morals. The continued record of Republican victories in Senate, House, Governors, and local races proves that the people have had their fill of Clinton, Rostenkowski, Jim Wright, Tony Coelho, et.al. and we shall see the control of the House and Senate shift to Republicans in 1994 and the White House in 1996! Likewise, the new National Empowerment Television Network (NET) shall eclipse the current PBS and other liberal scam bag media!

Sincerely,
