Saw Kinnock the other eve and he attributes a large part of his downfall to London papers... do you plan to have anything on this aspect of the election.. if this is true it would be contrary to what is going on here and might make a lively panel...if anything has anything to do with election here it will be you and tom johnson...both of you are doing a heluva job and it shows...The " press " is taking a beating all over the country but in my speeches all I am asked about is you and Cpan and Perot... is the Press treating Clinton fairly/....same way with perot.. The voters...the people..get a little fed up with stuffed shirts making thems;lves out as oracles and anointing anyone...and them provedn worng... the Roberts piuar husband and wife...get the most criticism for Cokie plays it cool and it comes across on the tube...keep plugging..you are doing a fine job and your duty...it is good..
