

Monday - June 20th
Dear C. SPAN-

This morning, Susan, I watched
and listened to your Program.

A Program I always enjoy -

Susan, your "hair" - do' it so very
becoming - I am no spellman!

Anyway you looked lovely - and I
noticed a very pretty wedding ring on
your finger. I had it noticed before -
have I just missed it? or have you
recently married?

I have written to you all before -
my good family tell me, always -
I am "curious yellow" - but how can we
learn anything - if we don't answer
question?!

At 89 years old, I am careful of
my questions!

I do hope you answer this short
note - I am enjoying writing with your
pen Brian sent me -
We do so enjoy you, all your Programs -

Cordially -

My address, just in case you all will
be so kind.
