This month, I am enclosing a new format for C-SPAN's schedule in your publication. It combines C-SPAN's generic schedule with a tune-in promotion for an upcoming C-SPAN special. The weekly schedule portion provides C-SPAN's generic log in a condensed, easy-to-read style, while the special program announcement highlights an event available to viewers that month on C-SPAN.

I hope you will consider using this ad in your guide as C-SPAN's representation of its programs. We think you will agree that the new format is a plus for both you and the viewer.

Your comments and suggestions regarding the new format are welcome. I would like to work with you, so together we can present the viewers with the most timely and accurate C-SPAN information available.

Sincerely,

Rosemarie Moringiello
Listings Coordinator
