

Dear Brian,

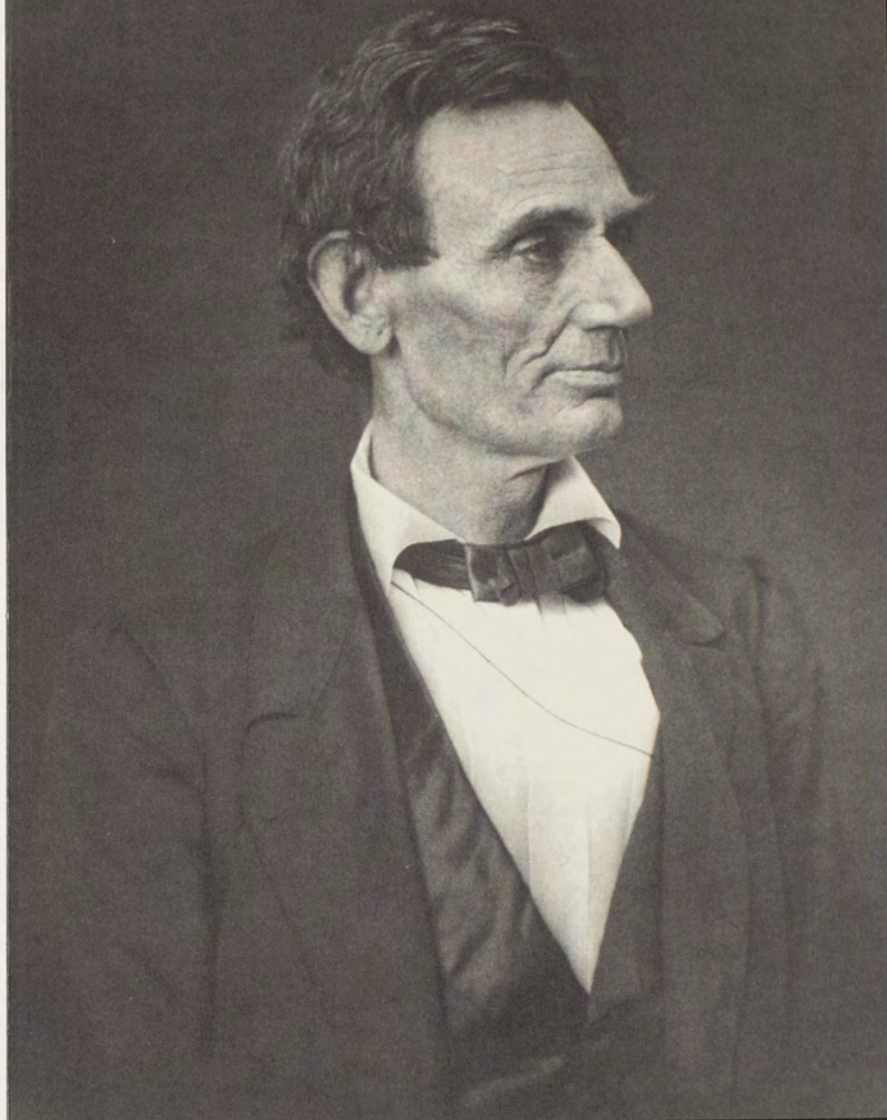

Many thanks for
your interest in the
Hiller Lehman Institute,
and for the fastest
hour I have ever spent
on television. Your
directness, clarity of
mind, knowledge of
the field make all
the difference.

With great respect,

Photograph of Abraham Lincoln by Alexander Hesler,
June 3, 1860.

Lincoln said of this photograph that it
"looks better and expresses me better than any I have ever seen."
