Dear Steve Scully -

Hello - recently on C-SPAN
(while "Prime Ministers Questions"
was not shown because of break),
I watched a prev. recorded show
of you interviewing the Deputy
Prime Minister. On this
show (which was excellent!)

There was discussion of the
Madam Speaker Betty Boothroyd &
her "style" of conducting business

you conducted in '98 which lead me
to never miss "P. Ministers
Questions" every Sunday

to you is: is it atal possible
that I could possibly get a
video copy of that? I'd
need to know how, etc. (I phoned
the 1-800-Text # 2nd they said they
only offered texts).

I wrote to Miss Boothroyd in
April & she wrote back ... even
included an autographed photo!

I've never witnessed anyone
with her "sterness" & "grit"... she
is quite remarkable ... when I wrote
to her telling her I saw your interview
with the Dty. P. Minister and how I
got a kick out of her "style",
she wrote, "Next time I
lose my temper during P.
Minister's Questions I'll
do it for you, my # 1
