To Whom It Concerns:

I am an Avil Lecturer
to C-Span and watch
the House Representative
programs and always
interested in "Book pbs" on
Sundays.

I ~~do not~~^{get} the C-Span II,
I would like to watch the
Senate in action, not to read
about it the next day, but see
my Government in action as its
happening. My Cable Vision is

Appreciate what you can do to
get "Senate" C-Span. Thank you.
