Brian Lamb 7/24/92
I've been a Congress Junky 4:15 PM
Junky since my 1st Vote 1932.
Now I'm a Caffe Junky also
I sit & monitor hour in and
hr out going to bed 3:40 PM
& sleep not more than 5 hrs.
I am still with the notion
of the Iron Triangle at work.
#1 Media, Special Interests &
Liberal Congress in control
of both Houses since as for
40+ yrs. Corruption is result
of such goings on. (Society
Programs (FDR fill financed)
ready for the creation & battle
of the Deficit (Tax & Spending
over yrs to stay elected.
Congressmen's jobs the end
result each term. The Country
secondly is gridlocked. I was
with my 1st vote 1932. I was
married to Banker 3/29 - Crash
of Stock Mkt 10/29. Depression
& closing of Banks by FDR 1930
So FDR wanted to Pack Supreme
Court to help expedite his
Society Programs ill financed
today 1992 called Entitlements.
The Deficit ~~was~~ was born 1932
to say the least then 4
Trillion today //

So today's climate (financial)
takes me back to 1929 &
Crash!! We have Liberal
Shutdown 1992. The Government
till is empty of funds.

Banking is name of the
Game ex. House scandals
Banking, P Office, selling
of cocaine P.O. This
Liberal Congress (à la Rose)
making laws only for
Congress to be used.

Ex.

Rep. T Foley's Watergate,
he tried to sweep up his handling
of Banking Post office & etc
early before Press got hold of
(People)

it. The Press didn't do
its usual job - ex. if it
had been a GOP Congress,
heaven would have fallen &
4/27/02 Needs at the hearing of
such a thing!!

On writing this, clip board,
as I recline on Courthouse chair
watching CSPAN II Congress,
Waiting for Media & its
coverage of V.P. Quayle.

2. Springsteen I could save less
I'm moved for my Country.
So says Pres. Bush who
has Constitutionally job of
National Security & etc.
Mind you if the Liberals
blather job etc - their
Constitutional job is Legislative
& Ways & Means. What has it
done

Billion's down drain -
for lack of oversight // I
wrote about that to Sen W.
Proxmire 1970's. I get
energized as I see & hear
Sen D Riegle & Rep Gonzalez
as heads of Committees of
Banking // They had the
heating 5". So we see Sen. D
Riegle posturing as sanctimonious
as he can for his Political Life.
Congressman ill repute for
those that understand the
Political process. As I write to
Pres G Bush every 2 or 3 mo -
I say "quote" "I don't think the
Electorate does not understand
process of Gov.

I listened to Sen. Hiram
as he stood for Re-election
London, to him say, quote
"You Left Backbenchers want
to blame me for the World
Depression!!" I just listened
to the Australian Parliament
same World Wide scenario!

As far as Clinton & Gore.
I say no way in my book.
They are Liberals in GOP
clothing. Clinton only
smother Pres. J. Bush.

He is slick as a Perot.
Gore didn't want to
come at all (The Liberal
heavies didn't want to run!!
Sen. Bentsen said quote "He liked
his job and liked to stay home -
all the heavies I guess didn't
want scrutiny!! Cuomo has heavy
baggage - I lived there in N.Y.
it was whispered "a big M!!"

As I see it, the Liberals
& Media want Bush to say
enter war??? Anything to get
in that office!! I hear excuse
my use of "I heard" Sen. Hatchett
is staying in back ground & doing
all to keep Depression going etc!!
I see Rep. P. Leachard is try-
ing to stay under cover of Clinton
Gore hoopla.

Excuse writing Clap Boat on lap (knee)
as I remember I was there 10/29 Chack

(3) Soak the Rich Liberal
theory to excite voters —
if I were Rich I'd put sign
on door + say "Gone fishing."

So this is a dirty
Camp, again.

I say to Pres. "Don't go to
war" — wait till after
Election.

Media doesn't inform
that Pres. Bush did
as U.N. sanctioned as
far as he could go //

Pushing Pres. G. Bush
only stiffens his back //
He is very experienced in
the past over all years
of service // Jealousy rears
its ugly head.

I was there 1930 as I better
roamed the Continent. The
people needed jobs + breadlines
were "his cell to arms."

As I monitor it is now
5:10 PM so, I'm ready as I
am at 3 + 4 AMs 7/25.

Listening to Fitzwater — the
bag is front + center. If he

Trust you can send this all

Bush doesn't start War
He's a whimp!!!!. Great Media
He couldn't go to Rio why?
Because he knew job dollars
were at stake if he landed
in Rio - so he reluctantly
went.

Congress jobs versus
Animals (Spotted Owl) The Example.

Now Moynihan speaks
Said State can't help Bush!!!
(Engelburger), who is
firing up this hoopla??

Again, Iron Triangle
Media Special Interests
& Liberal Controlled Congress.
So Electorate not too
informed has to make choice.
How come all this hype!! Our
Election per long is too much,
30 days Britain.

We need a change, a
Change in Congress - I
hope lightning strikes & our
Congress gets a level playing
field of enough G.O.P.
to balance Seats!!!

Respectfully

I did try (2) times
to hang on phone to
talk. I have politeness
to do. Busy Lady with
courage of convictions.

I walk 2 miles day &
ride buses with say
en closed snap shot.

I get plenty of sampling.

I'm below Poverty Level
& don't get paid. I use
my dollars for stamps &
Cards. ———— "

Listening to 5:45 CSPAN
Pres. being hollered at —
well o.k. as it is said by
"?" "You don't judge People
they judge themselves by
their actions"

I understand Sarman's
fine deliberate analysis of
Budget & its mark.
