Well you really
did it this AM. Stack the
decks against this President
with 3 Braun lead
journalist. Delbert Ows
is a slave reporter who
works for a slave newspaper
which hopefully will be
out of business this week.
The Post long ago ceased
being a reputable
writing. It's just a rag
now.

Of Rick Thomas
is a representation of how
an economist thinks
no wonder this country
is in so much trouble
(As for his holloway)

his association with
the Washington Times
say enough.

You know Brian
I feel like your
player around with
your secrets. Its very
distasteful for me to
see what your doing ^{doing}
and see this happening.

Maybe a cruise
vacation or trip to
the wilds of S. Africa
will give you the cure.

Please God give
Brian the cure so
we can carry on with
C- Sporn and let reasonable
people with some kind
of intellect converse with
reasonable people with
some kind of intellect -

On the spirit
of Paul Revere who
tried to give warning.

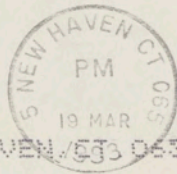

The last caller
mentioned Bush Linley Jr.
Please take
the cure Brown.
