Dear Sir:

I was one of the people who wrote to you prior to the American Atheists' convention held in St Petersburg Florida early in April of 1990. In my letter I requested that, if possible, C-SPAN cover the convention and later broadcast it. I want to express my heartfelt thanks for the broadcast of Dr. O'Hair's speech on C-SPAN on April 17th and again on April 21st. Again, many many thanks for your co-operation.

Sincerely,
